

**571—101.4(481A) Annual reports.** Each holder of a falconer's permit shall submit an annual report to the department of natural resources by July 31 of each year. This report shall list all raptors in possession on the preceding thirtieth day of June and any raptor held during the year—by species, sex (if known), age (if known), date and where or from whom acquired, whether escaped, died, recaptured, or released and when the event occurred.
